

PRESS RELEASE

LANDSCAPE

Wednesday 13th & Thursday 14th April 2011 - National Hall, Olympia, London

The brand new trade exhibition for all those involved in interior and exterior landscape gardening.

Landscape will feature manufacturers and suppliers of everything from cut flowers and vases through to pots and flag stones, conservatories and water features.

If you make anything from architectural iron work to bird baths, planters, or sheds then **Landscape** is the show for you. If you are involved in the production of specialist trees, sculptures, structural steel and sundials then you should exhibit at **Landscape**. If you supply soil, turf, plants and paving then you should exhibit at **Landscape**.

Our visitors will include florists, landscape designers, architects, facilities managers and all those that specify where plants and planting is used.

The show will feature contemporary, cutting edge technologies and methods, and be supported by show gardens, themed floral displays and a comprehensive seminar programme.
